

Positive Behavior Interventions & Supports

Scott's Scoop

Fall 2016

Dear PBIS Teams, MCS Staff, and Community,

As I reflect on the first months of this school year as the PBIS Program Supervisor for Muncie Community Schools, I am pleased to tell about all of the great progress being made in all twelve schools.

Grissom and Sutton are in their third year. These schools are in full-swing, implementing Tier I, and beginning to offer Tier II supports. Storer, Mitchell, North View, EWA, South View, Longfellow, Southside, and West View are in their second year, implementing Tier I, and learning about Tier II. Northside and Central are in their first year, learning about and planning for Tier I implementation next year.

Working with the staff at each of these schools, building relationships, and listening to the creative ideas that abound, has been a fabulous experience.

I have also had the pleasure of connecting with the Boys and Girls Club of Muncie, and the Family Navigators from the Suzanne Gresham Center to discuss the extension of PBIS into our before and after care programs. I look forward to each new day of positive happenings!

Positively yours,
Kelly Scott

Data Drill Down Feature of SWIS

This feature allows those with SWIS access to drill down the data in order to find perceived motivation of behavior and to determine if the behavior is due to a student or system issue. A video to walk you through a data drill down is located at the following link.

<https://www.pbisapps.org/Resources/Pages/Data-Drill-Down-How-To.aspx>

Follow our positive Tweets
@MCS_PBIS!

A HUGE thank you to Muncie Culver's for donating free Scoop incentives for our students!

MCS's Positive School-wide Expectations:

Storer Be Ready Be Respectful Be Safe	Grissom Be Safe Be Responsible Be Respectful Be Caring
Mitchell Respectful Responsible Safe	Sutton Be Safe Be Responsible Be Respectful Be Caring
North View We are Safe . We are a Team . We are Accountable . We are Respectful . We are STARs .	EWA Be respectful Be responsible Be safe Be awesome
South View Stay Focused Try Your Best Act Safely Respect Others	SMS We are... Polite Accountable Willing Safe
Longfellow Be ready Be responsible Be respectful	NMS Planning Stage
West View Respectful Responsible Safe	MCHS Planning Stage

Positivity is like a boomerang. The more we put it out there, the more it comes back to us.

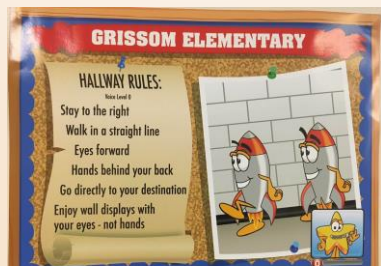

@jongordon11

MCS
Mission Statement:

The mission of Muncie Community Schools is to provide a quality educational environment that allows every student to maximize his or her potential and, upon graduation, possess the skills necessary to be a positive, productive, contributing member of society.

Examples of
Expectations in
Specific Locations:

- The 8-Step Process**
- Data Disaggregation
 - Curriculum Timeline
 - Instructional Focus
 - Assessment
 - Tutorials/Remediation
 - Enrichment
 - Maintenance
 - Monitoring

Goals are good but goals won't take you where you want to go. Your commitments are what will lead you to your goals.

Commitments > Goals

-Joh Gordon@JonGordon11

MCS Staff are committed to the goals.

Student Services, Support, & Safety

Goal 3: MCS will enhance learning opportunities for all students by cultivating a collaborative, supportive and welcoming district culture.

Objective 1 – Strengthen community connections and utilize the partnerships to provide in school services to student and families.

Objective 2 – Each school will provide a positive environment for students and families; celebrating diversity, recognizing successes and promoting healthy and positive social skills.
